BY **Indy**

Features:

- Simultaneous dump and hydrostatic drive capability allows for feathering of load in forward and reverse.
- Operator's platform and control system allows for comfortable and convenient operation of the unit.
- Two models, 16 ft³ (453 L) and 21 ft³ (595 L) capacities.
- Power supplied through heavy duty hydraulic pump and two high efficiency drive motors.
- Excellent traction and control with heavy-duty welded chassis.
- Simple, clean control panel.
- Industry's largest and highest efficiency wheel motors allow higher speeds and more reliable braking.
- Foot operated dump lever allows operator to keep both hands on steering handle at all times.
- Foot actuated operating and parking brake.
